Notes for JOHN FERGUSON, SR.:

from Mary Ferguson Fiser

fiserk@fn.net

John Ferguson and his children seem to have spelled their names several ways, even within the same document, as evidenced by the will abstracted below. While Fargisson, or Fargeson is the spelling they used, I have chosen to list them with the spelling "Ferguson" which their descendants adopted (during the 2nd or 3rd generation from John Ferguson, Sr.)

From Larry Ferguson III:

"John was probably brought to America as a deportee/indentured servant in 1667 (patent Book 6, pg 45). He married Ann Stubbleton in 1683 (Book D7, pg 129). I show six children:

Cary b: ca 1683 M 1st Class Caston M 2nd Henry Perkins, Jr.

John b: ca 1685 M Sarah Bridgeforth

James b: ca 1687 M Ann???

Sarah b: ??? M Thomas Redd

Joseph b: ??? Died a bachelor in 1717

Samuel b: ??? M Ann Brown

John and Ann are buried in a family cemetery at "Cherry Walk" in Essex County, an estate sold to the Caston's by John Ferguson and passed on through the Croxton family (Grandson of John and Ann) Still trying to prove John's arrival in America but circumstantial evidence supports the theory strongly. General Notes:

From Bud Miller:RMiller.Bud@worldnet.att.net

WILL: dated 1st Oct 1731 proved in Dec 1735; WB 5, pg 386 Essex Co of Tappa, VA. grandson John Caston; daughter Sarah (Redd); rest divided among th 4 children; appointed 2 sons John & Samuel executors. witness Thomas Redd. She left her daughter Sarah Redd her cloak & hood. witness by Thomas Redd, Jr. (Thomas Redd Sr. could only sign with a fancy mark; this Thomas signed very well). RELATIONSHIP: Listed as the "now wife of John Fargisson". Ann was the only surviving daughter of Stuble Stubbleson in Farnham Parish Rappahanock, VA land transaction dated 12 Feb 182/3.

Questions:

Ann Stubbleson's will, written in 1731, reads in part: "...the rest of my estate be equally divided between my four children." She lists John, Samuel and Sarah by name, but does not name the fourth child. Joseph was deceased by this time, Cary was probably not Ann's natural daughter. The fourth child she referred to was James, according to James Edward Ferguson. What about Mary? She was still alive at the time of Ann Stubboleson's death, if the dates for Mary's children are correct. Was she indeed the child of John Ferguson and Ann Stubbleson, or was she in fact not a child of this family at all, in spite of the fact that John Ferguson, Sr's will names his grandson John Rogers? Or was she the child of John, but not Ann, as was likely the case for Cary Ferguson (see notes for Cary Ferguson). More research is needed. (MFF)
